

Halloween Costume Guidelines

Thursday, October 26 we are having our
Annual Halloween Dance

and

Tuesday, October 31 is our Halloween Dress-Up Day!

You're allowed to wear a costume to school on October 31st as well as to the dance.

However, there are certain guidelines you must follow or your parents will be called to bring you something to change into:

1. No masks (for safety/security reasons), face paint is okay.
2. No weapons of any kind (fake or real).
3. No costumes that are culturally or racially insensitive or would offend anyone regarding ethnicity, religion, gender, sexual orientation, etc...
4. No costumes that are excessively gory or bloody.
5. No excessively short skirts or dresses (should go below finger tips when hands are at sides) or revealing tops (no bare midriffs, no tube tops, no halter tops, no spaghetti straps). If you are unsure if your costume is too short, make sure you wear leggings or pants underneath.
6. No costumes that are sexually suggestive or explicit in any way.
7. Shoes need to still be appropriate for school. No high heels.
8. No political figures.
9. No clowns.

All costumes must be appropriate for school. If an administrator feels that your costume is inappropriate, you will be asked to change. You should bring back-up clothes in your backpack in case you are asked to change.

If you are not sure about whether your costume is appropriate for school, please speak with Dr. Reyes, Mr. Quintero, Dr. Lewis, Ms. Garza or Ms. Carrier ahead of time; maybe even bring in a picture of it to show them.
