Good Afternoon Crusader Families and Happy New Year!

My name is Teresa Kramer and I am excited to introduce myself as the new principal of Bonita Vista Middle School, a school known for its dedication to excellence, rich traditions and commitment to students. For the past 18 years, I have worked as a teacher and administrator in the Sweetwater District, which has allowed me to share my passion for education and the success of all students. As principal of Bonita Vista Middle School, my priority will be to ensure that every student receives the best possible education, while feeling respected, supported, and empowered. I have an amazing job which allows me to work closely with children as they discover the paths they will choose in their lives, and the teachers and staff members who will help make their dreams reality.

Not only am I excited to work with your children, but I look forward to the work we will do together. A great education is not possible without the collaboration of students, parents, and staff. During this winter break, I have had the privilege of getting to know some of the amazing staff at BVM, while also learning about the schools' history and success. What has come across repeatedly is the pride in this school and community and the commitment to excellence. As a member of the Bonita community and a parent of two former Crusaders, I commit to serving this community with the same enthusiasm and pride that has contributed to the success this school has celebrated in the past. And as a team, we will find new ways to continue the success at BVM.

School resumes on Wednesday January 10, 2018. I hope all students had a restful break and are ready to come back for second semester. I am looking forward to meeting all of the students next week and working with all of you this year. Please feel free to contact me if you have any questions, concerns or ideas you would like to share.

Sincerely,

*Teresa Kramer*

Teresa Kramer  
Principal

*The Sweetwater Union High School District will fulfill the promise of 100% student success.*
