

How to Access Jupiter Grades

1. Open your browser and go to JupiterGrades.com/login
 2. Log-in as the log-in paper describes (example shown):
 - a. Type your **Name** exactly as shown
 - b. Type your **temporary password** exactly as shown
 - c. Type the school name: **Bonita Vista Middle School**
 - d. Type the city name: **Chula Vista**
 - e. Select the correct state: **California**
 3. It will ask you to select a new password. Use one you'll remember.
 4. You're done! You can now look at your grades by clicking "Overview."
-

The screenshot shows a login interface with a dark background and light-colored text and input fields. At the top, there are three tabs: "Student/Parent" (selected), "TA", and "Teacher/Admin". Below the tabs, the form contains the following fields:

- Student Name or ID:** A text input field containing "Jose Sanchez".
- Password:** A text input field containing five black dots.
- School:** A text input field containing "Granger Junior High School".
- City:** A text input field containing "National City".
- Country:** A dropdown menu with "United States" selected.
- State:** A dropdown menu with "California" selected.

At the bottom of the form, there are two buttons: "Forgot Password" on the left and "Login" on the right.
