

P3 Tips App

The mission of [Students Speaking Out](#) is to empower young people to use their voices to make schools and communities safer. The P3 platform enables the public to share information anonymously with Crime Stoppers programs, Law Enforcement entities, and schools. If you have information about a crime, serious school violation, or dangerous activity at school you can submit a tip via this web page - or download the [P3 Tips App](#) via the links on this page. Your anonymity is protected at all times. In many cases, your information may be eligible for a reward offered by a local program. If your information relates to students or campus safety in your community, please visit www.p3campus.com or report it via the [P3 Tips App](#) on your student iPad.
