Dear Bonita Vista Middle School Community,

I want to introduce myself as your new and very excited Principal. I have served our district in various roles since 2004 that have included teacher, coach, coordinator, and site administrator. In those years, I've had the privilege of serving the Granger Junior High School, Chula Vista High School, Olympian High School, and Sweetwater High School communities (in that order). I'm most excited about serving the Bonita Vista Middle School Community!

The middle school years are pivotal years in the academic, emotional, and social development of our students. Our role, which includes all our staff, is to ensure that your students feel welcomed here and that we establish the proper environment for your students to learn and flourish.

As we prepare for our 2022-2023 academic school year, Bonita Vista Middle School is committed to providing our students with high academic expectations, rigorous curricula and instruction, and an inclusive school culture that values the social and emotional development of each student. As we begin our partnership this year, we ask that each student:

- 1. Be Present**
- 2. Be Positive**
- 3. Be Persistent**

Our work this year, and every year, will be collaborative, and we will all have roles to contribute to the overall academic success and achievement of all our students. Parents and guardians, we will need your help also! We ask that you stay connected and communicate with us regularly. Follow up consistently with your student's academic progress by contacting our teachers, counselors, and administrators. Thank you and I look forward to advancing our work together and our partnership!

SWEETWATER The Sweetwater Union High School District will fulfill the promise of 100% student success.
